No. 1116 Pol.
Dated 23rd April 1903.

Sir,

In forwarding herewith a consolidated statement showing the amount sanctioned by me on the Probable Expenditure statements received from Deputy Commissioners of Districts and Presidents of the Bangalore and Mysore City Municipalities, for expenditure in connection with Plague Preventive Measure during the month of April 1903, I have the honor to state that a sum of Rs.395-14-5, shown under the head " Dieting charges" against Kolar District, is the amount spent in excess of the sum sanctioned for expenditure during the month of December 1902, owing to the increased number of patients admitted into the Oorigam Plague Hospital and that the total amount including the above sum sanctioned for the month of April 1903 is Rs.8008/-, which is less than the amount sanctioned by Government for the month of September 1902.

Under these circumstances I request that you will be so good as to obtain the early sanction of Government to a sum of Rs.395-14-5, which sum is beyond my power of sanction.

I have the honor to be,

Sir

Your most obedient servant

Sr. Surgeon & Sary. Commissioner.

No. 1386

Dated 30th May 1903
1 June.

Sir,

With reference to para 1 of Govt. Progs No.16874-5 L.B.(P) 808 dated the 27th Instant directing that reductions be effected in the Plague establishment of several Districts and the result reported before the end of the current month, I have the honor to state that the order in question having been received in my office only yesterday, it is not possible to comply with the order within the time fixed by Government, as there remains only two more days to complete the month. Reductions, consistent with efficiency, were however ordered to be given effect to from 1st June 1903, in all the places mentioned in the order long before it was pointed out by Government; but the particulars have not been furnished as yet. Urgent reminders are being issued for ~~this~~ their early submission.

I may here bring to the notice of Government that it is not very desirable to make any sweeping reduction in this hot weather, which is just the time to adopt measures likely to prevent a recrudescence.

I have the honor to be,

Sir

Your most obedient servant.
